

The diagram illustrates the layout for a book cover. It is divided into three main vertical sections. On the left is a large light blue area representing the back cover. In the center is a narrow vertical pink strip representing the spine. On the right is a large light orange area representing the front cover. A vertical blue dashed line runs through the center of the pink strip, indicating the fold. Text labels and dimensions are provided for each section.

Full Bleed Size:
7.25" x 6.25"

Safe Area (solid pink line)
6.5" x 5.5"

Back Cover Imprint Area
(Blue shaded box)
3.125" x 5.5"

Front Cover Imprint Area
(pink shaded box)
3.37" x 5.5"

- Text should be kept .25" away from the fold (orange area)
- Cover should wrap .125" at the fold (blue dashed line is the fold)
